

JANUARY 2020

Updates...

Most of you will now have met the lovely Karolina. She has joined us in the baby room as a nursery apprentice. Karolina is very excited to begin her career in childcare with us!

We have the fantastic opportunity to send Mel from our 2-5's room on signalong training this month. Signalong is based on British sign language and is a great communication tool for both children and staff.

Payments

Polite reminder to all parents that invoices are due to be paid by the last working day of the month. Please bear in mind that if you use voucher payments these take a minimum of three working days to clear.

Menus

We have recently updated our delicious menu's.

If you would like a copy of our weekly menu's so you can plan your evening meals, please let the office know and we will be happy to send you a copy.

Don't forget our daily meal is always on the blackboard in the entrance porch.

Funding reminder

Children who turn 3 years old between beginning of January and the end of March will be eligible to access the government funded hours from April 2020. Please collect your forms from the office and return by 28th February.

Online observations

We are very excited to have our online observation system going live in our baby room from 1st February 2020. The office will be in contact with you in the next couple of weeks to let you know how to access the portal.

We will also be rolling out online observations to our 2-5's room in the next few months.

Wet weather

With the wet weather upon us, we will still be enjoying lots of time out in the garden. Please ensure your child has suitable clothing and footwear i.e. waterproof suits and wellie boots.

Don't forget to pop your child's name inside any items so they don't go missing.
